

WORLD SOCIETY OF EMERGENCY SURGERY 5TH CONGRESS 2018

June 28th-30th

Centro Residenziale Universitario Di Bertinoro
Via Aldruda Frangipane, 6, 47032 Bertinoro FC (ITALY)

27/6/2018

FIAT: Full Immersion in Acute care surgery and Trauma minicourses (2,5 hours each)

Directors: Y Kluger, F Coccolini

In FIAT You will attend the course in the condensed version (2.5 hours each): the full courses (2 days) are available and will be held during 2018

P.E.A.C.E. Preparedness and Education of Acute care surgeons to mass Casualties Emergencies

Chairs Y Kluger, M Bala

7.30 - 10.00 (7.30 to 9.30 7 Lectures 10 minutes each; 9.30- 10.00 Coffee and discussion)

- MCI Definition and current reality F Coccolini
- Wounding mechanisms and injury patterns Y Kluger
- Field and Hospital triage M Bala
- The role of the medical director, triage officer and trauma team in MCI H Bahouth
- Hospital setup, resources and demands O Ben- Ishay
- Tertiary survey H Bahouth
- Nursing in MCI, B Rozenblit

I.C.E. Intensive Care for Emergency surgeons course

Chairs E Picetti, J Kashuk

10.00- 12.30 (10.00- 12.00 7 Lectures 10 minutes each; 12.00- 12.30 Coffee and discussion)

- Airway management, respiratory failure: invasive and non-invasive mechanical ventilation J Kashuk
- Circulatory failure: monitoring and management (vasopressors) V Agnoletti
- Kidney failure overview D Weber
- Damage control resuscitation W Biffl
- Blood and hemostatic therapy EE Moore
- Brain trauma: pathophysiology, neuromonitoring and medical management E Picetti
- Nursing in acute care L Flanagan

R.E.B.O.A. Resuscitative Endovascular Balloon Occlusion of the Aorta Course

Chairs: D Weber, T Scalea

13.30- 16.00 (13.30- 14.30 5 Lectures 10 minutes each; 14.30- 16.00 Hands on simulator, Coffee and discussion)

- Physiopatology of REBOA use E. Gamberini
- REBOA indications V Reva
- REBOA techniques D Weber
- Criticalities of REBOA E Moore

B.E.T.S. Basic Evidences in Trauma Surgery

Chairs F Catena, C Arvieux

16.00- 18.30 (16.00- 18.00 7 Lectures 10 minutes each; 18.00- 18.30 Coffee and discussion)

- Brain and spinal E Picetti
- Thorax O Chiara
- Liver W Biffl
- Spleen F Coccolini
- Pelvic R Latifi
- Open Abdomen A Kikpatrick
- Vascular V Reva

RIS

Chairs: F Abu Zidan, R Ten Broek

18.30- 19.30 (4 Lectures 10 minutes each + discussion)

- Generating research questions and Ethics of medical writing, statistics: F Abu-Zidan.
- Meta-analysis, Multicentre Trials, RCT and Retrospective studies N De Angelis
- Writing your first paper: F Abu-Zidan.
- Referees, Reviewers and Choosing the right journal A Leppanemi

28/6/2018**MANAGEMENT OF INTRABDOMINAL INFECTIONS COURSE (MIC)**

Chairs: M Sartelli, G Velmahos

(07.00- 08.00 4 Lectures 10 minutes each; coffee and discussion)

- Classification and Diagnosis A Chicom Mefire
- Abdominal Sepsis G Fraga
- Source control B Sakakushev
- Antibiotic therapy M Sartelli

Symposium : Current algorithm management in oesophageal injuries (evidence based literature review: updating WSES Guidelines)

Chairs Y Kluger V Agnoletti

(8,30 - 9.30 10 minutes + 5 discussion)

- Caustic injuries M Chirica

- Foreign Bodies L Bonavina
- Mallory- Weiss, Boerhaaves syndrome and other perforations M Kelly
- Trauma C Arvieux

9,30- 11,00 Consensus Conference: Severe Acute Pancreatitis

Chairs A Leppanemi G Borzellino

- Diagnosis H Segovia
- ICU V Agnoletti
- Surgical Management M Tolonen
- Open Abdomen A Kikpatrick
- Infected pancreatitis M Sartelli
- Delayed complications H Van Goor

11.00- 12.00 Case Discussions (10 minutes each case)

- Emergency surgery in ICU patients D Weber
- Very unstable Trauma Cases different perspectives V Khokha

12.00- 13.00 Symposium: Guidelines applications in low income countries

Chairs F Piscioneri, A Chicom Mefire

- Differences F Piscioneri
- Solutions L Ansaloni
- Developing a curriculum for emergency room surgeon: a good option for low and middle-income countries A Chicom Mefire

13.00 – 14.00 Lunch

14.00-17.00

Consensus Conference WSES- SIS: Soft Tissue Infections Consensus (7 minutes each + 3 discussion)

Chairs: Yoram Kluger (Israel), Xavier Guirao (Spain)

- Which is the best classification for soft tissue infections? Massimo Sartelli
- What's new in guidelines for prevention of SSIs? What are the principles of surgical site infections prevention? Leonardo Pagani
- How are surgical site infections classified? What is the best treatment of Surgical Site infections? When are antibiotics needed? Kemal Rasa
- What is the appropriate treatment of superficial infections (impetigo, erysipelas and cellulitis and superficial abscesses)? Francesco De Rosa
- How is the treatment of perianal abscesses and other complex abscesses including abscesses in injector drug use V Khokha
- What is the appropriate treatment of infections developing in damaged skin (burn wounds, animal and human bites, and pressure ulcers)? Boris Sakakushev
- How should MRSA, both community-acquired and healthcare-associated SSTI, be treated? Matteo Bassetti
- What is the appropriate approach to assess SSTIs in immunocompromised patients? Pierluigi

Viale

Chairs: Ernest E Moore, Ari Leppaniemi

- What are Necrotizing SSTIs? How is the outcome of patients with NSSTIs? How are they classified? Which is their treatment? Is a Multidisciplinary approach mandatory? Philippe Montravers
- What is the pathophysiology of NSSTIs? What are their clinical findings? Jan Ulrych
- How can NSSTIs be diagnosed? Belinda De Simone
- What are the principles of source control in patients with NSSTIs? Marja Boermeester
- What is the role of NPWT in the management of soft tissue infections? Michael Sugrue
- What are the principles of antibiotic therapy for patients with NSSTIs? Maddalena Giannella
- What is Fournier syndrome? Its management F Catena
- What are the principles of resuscitation in patients with NSSTIs? What is the role of adjunctive therapies? Vanni Agnoletti
- The nightmare of infected mesh. How is the treatment? Luca Ansaloni

17.00-19.00 "Hit" the Expert Session My Millennium errors and fails (the most significant will be awarded with the Achilles Heel Prize)

- EE Moore
- Y Kluger
- A Leppaniemi
- R Maier
- G Fraga
- G Velmahos

Shooters and Jury: M Sugrue; R Coimbra; F Catena; T Scalea; J Kashuk; L Ansaloni, Y Kluger W Biffi

29/6/2018

08.00-08.45 ASBO

Chairs R Ten Broek, F Abu Zidan

- The role of mini-invasive approach in ASBO D Costa-Navarro
- SBO Audit and new recommendation Matt Lee
- WSES Updated Guidelines R Ten Broek

8.45 Acute Mesenteric Ischemia WSES Guidelines M Bala

09.00- 11.00

Chairs G Fraga, S Di Saverio

- Selected Free papers (5 minutes each: total 25 free papers)
- TDS Prize for the best video

11.00- 13.00

Consensus Conference Complicated peptic ulcer

Chairs: F Coccolini, G Velmahos

- Diagnosis G Montori
- Resuscitation S Molfino
- Surgery A Tarasconi
- NOM G Shelat
- Antibiotic treatment S Cimbanassi
- Embolization G Velmahos

13.00- 14.00 Lunch

14.00- 15.00

Chairs L Ansaloni, R Maier

Status of Emergency Surgery: Presidential Addresses (10 min presentations)

- American College of Surgeons Vision Ron Maier
- WSES Yoram Kluger
- ESTES Ari Leppanemi
- AAST Raul Coimbra
- 6th WSES Congress presentation H Van Goor

15.00- 17.15

Chairs N De Angelis, D Costa

- Subtotal cholecystectomy I Di Carlo
- Selected Free papers (5 minutes each)
- Invited lecture: What's new and what's relevant for the Acute Care surgeon in scoring (SOFA, APACHE etc. R Maier

17.15- 18.00

Chairs L Ansaloni, M Sugrue

- Invited Lecture: Bowel obstruction in naive abdomen H Van Goor
- Invited lecture: The Injured Brain during Emergency Polytrauma Patients Management E Picetti

18.00- 19.00

WSES Key Performance Indicators project

Chairs R Coimbra, V Agnoletti

- WIRES project F Coccolini
- KPI's M Sugrue

30/6/2018 at Cesena Trauma Center

9.00- 17.00

EASC Course

30/6/2018 at Bertinoro Congress Center

08.30 - 13.00 (session in Italian no english translation available)

Italian Society of Hospital Surgeons (ACOI) WSES.it

Chairs: O Chiara, Presidente ACOI, W Ricciardi

WSES Guidelines as Official Italian Guidelines for Emergency Surgery

Faculty: L Ansaloni, F Catena, F Coccolini, M Sartelli, F Agresta, V Agnoletti, F Campanile, G Ercolani, A Zaccheroni, R Melotti, M Chiarugi, A Pitidis, S Rossi

WORLD SOCIETY OF EMERGENCY SURGERY 5TH CONGRESS 2018

June 28th-30th

Centro Residenziale Universitario Di Bertinoro
Via Aldruda Frangipane, 6, 47032 Bertinoro FC (ITALY)

REGISTRATION FEES and BENEFITS

Members: € 250,00

Non Members: € 300,00

REGISTRATION FEES will give access to the whole Congress sessions, lunches and coffee breaks.
